The March Meeting matched February’s. That’s so good!! We are looking to beat our record of 32 in attendance for April.

The Cheery Blossom event at the Central City Park was a success. On Thursday, it was fun setting up between showers, Steve got real good moving Risk Factor, the location changed three times.

Then the preview Party. Food was good. Afterwards, the Loggers put on a good show. The “chain saw” did wonders carving the logs into animals and chairs. Everyone got a gift at the “Guess your weight, age or Birthday” booth. Friday was a slow day over the whole park. Saturday we talked to a zillion people, there was a lot of interest in what the club does and where. John’s Raiders drew a lot of attention and comments of “I want one of these”. Had some sign up for the regatta. Sunday, had to pack up early because of the bad weather.

The regatta was fun, with 28 boats in the race, the Lake was an impressive sight. Spectators enjoyed their picnic and the park while watching the exciting competition between the colorful boats. We welcomed some first time racers and some pros. Sailors gathered from Atlanta, Milledgeville, Barnesville, Macon, Hawkinsville, Jonesboro, Gray, Juliette, Forsyth, Byron and Warner Robins. Fred & Helen were up from Jacksonville.

Georgia Power was so nice to let us open the park, use the facilities and then to have our party there. The after race meal was delicious. Music was good and the camaraderie was enjoyed by all. The cruisers spent the night on the Lake and Sunday another RACE.

Thanks everyone for your help making all of the above such a success!! Fred & Helen are busy planning a trip to Maine That should last from May to September. Wish we could all GO!!!!!!

Quiz: When anchoring in Tidal waters, what is the best method to use? Hope to see everyone at the April 18th Meeting,

Think WIND!!!

Miriam

For Sale:

Cruise to Nowhere!!!

April 28th. and 29th. kicks off our 2000 cruising season, with a cruise to nowhere and fish-fry by nobody. Launch anywhere you can on Lake Sinclair and meet Redman and Nobody (Roger Winn and friend) at the picnic and camping point at OSYC between 2 and 4 PM. for a fish-fry, celebrating Roger Winn's 50th. birthday. There is a race planned at OSYC that day so please look for either Boston or Roger Winn for docking or anchoring instructions. Bring your own drinks, silverware and plates for the fish-fry.

We plan to eat and party on the point, then sail to the "Boat Hole", a bar located downstairs from Steamers Restaurant at the 441 bridge section of the lake. We can all raft up or tie to the dock to enjoy an evening of dinner and drink, stories and song at the "Boat Hole". At evenings end, those who wish to sail to a secluded cove can do so, or we have the use of several anchorages and tie-ups nearby, so come, come all to enjoy this first cruise of the 2000 sailing season and help celebrate Lake Sinclair's own King Neptune's 50th. birthday.

There will be some new events this year - come out and see how you measure up. (The Rodeo is a series of maneuvers that test the skill of the skipper and his boat, no handicap is used as the maneuvers are equal and fair for all size boats.)

Cherry Blossom Regatta

What a great day for The Cherry Blossom Regatta 2000 - mid 70's, sunshine, and wind (sometimes). It was nice to see so many boats in the water - in all we had 28 sailboats in one spot at one time - a pretty sight!

We would like to thank everyone who helped out at the point and other locations and jobs.... a special thanks to John Drawe who helped Ron make the beautiful trophies and to Joe Kennedy who came out on Friday to help set up the buoys. Although there was some confusion, all in all a great time was had by everyone.

The race results are:

Cruiser Class - 1st Place - Mike Dortch,
2nd - Steve Winchester,
3rd - Tom Rodgers

Multi-hull - 1st Place - Richard Kennedy,
2nd - Bob Horan,
3rd - Brian Davis

Daysailors

<u>Under 100 Handicap Div.</u>	<u>Over 100 Handicap Div</u>
1 st Place – Jack Mahaney,	1 st Place - Dave Cole
2 nd – Paul Keller,	2 nd - Joe Kennedy
3 rd – Rene Ducheneau	3 rd - Allen Pfeifer

As you can see - we have chosen to resolve the problems that came up with the daysailor class by splitting the class into 2 divisions.

We thank everyone for participating and hope to see ya'll next year.

Ron and Linda
