MAINSHEET

Fellow Sailors,

The saga of the broken mast continues. I am told by my the local Catalina dealer (Atlanta) that the new mast will arrive there on the 10th of July and that if I get my boat up there before then there is a chance I can get it back

within 2 weeks. In the midst of all the horror stories I have heard about Catalina's parts department and the general feeling that I am going to be on the bottom of the 'have to' list at the dealer, I feel we will be lucky to get the boat back in time for our vacation on August 11th. Because of this and the desire to have a little boat we can take up to Juliette at the spur of the moment, we have bought Mike Bragg's 1976 Buccaneer 18. For those of you counting, this is the fifth sailboat in 2 years. The boat looks to be in good condition and hopefully will be the ideal boat for fast lake sailing.

Our July meeting will be held at the Chinese Buffet which is opposite the Red Lobster on Riverside Drive in Macon on July 17th. For people with knowledge of Macon this is the site of the old Shoney's. We will need to iron out details on the upcoming Commodore's Cookout / Treasure Hunt / Moonlight cruise that is planned for August 4th and 5th on Juliette. The lake is still full and with all the rain we have been getting has prospects for at least most of the summer. What a contrast with last year.

I have just finished reading "Godforsaken Sea' by Derek Lundy. This is one of many books about the Vendee Globe competition (single handed race around the world on 60 foot surfboards) and I highly recommend it to those of you who want to catch some insight into the hearts of those few who live life on the very very edge. I think I am now confirmed in my desire to never lose sight of shore.

See you guys at the meeting — Think Wind!

EDITOR'S CORNER

I keep trying to get the issue in your mail box by the first of the month. As of yet I have not been able to get it all together, I guess I will just have to quit playing --- NA !!!!! I have just returned from a week in Florida, Ashley had

to be taken to summer camp and I could not pass up the opportunity to deliver a boat to John. Oh yea, and we did manage to get in some sailing. Melbourne Yacht Club just started their Wednesday night dingy races (friendly and informal). What a great time John and I had with 8 boats total and about 10 to 14 knots of wind.

The club has reserved and payed for two camp sites #9 and #11 at Lake Juliette for the first weekend in August. We will be having our annual Treasure Hunt, and Commodore's Cookout. I will be parking my camper on site #10 for the weekend. This will allow the club the use of the whole point for camping and fellowship. Your day pass will allow you access to the sites, or just pull up by boat. More will be discussed at the next meeting. Mark this weekend on your calendar and bring your swim suit, it is always a great time for all.

Please send me your articles and stories, things you are doing to your boats, update, changes, or questions you might have. We have a broad range of knowledge available to draw from, and share with. See you at the meeting, and on the Lake!

Carl
