MAINSHEET

Fellow Juliettites,

The Rodeo/Halloween/Fall Festival was a great success. Many thanks go to those of you who helped organize and cleaned up after this event. Special thanks go to Ron and Linda Katz for their planning and execution of the Rodeo event.

Things did not go exactly as planned because we had the point-to-point race on Saturday rather than Sunday. There simply was too much wind on Saturday to try to do any kind of precision sailing. There were small boat advisories out on local lakes with the wind gusting up to 25 miles per hour. I personally believe that at times it got much stronger than that. For example, we were chasing Ron Katz (I believe we were gaining), when he had some kind of mishap on his boat and lost control of his genoa. We passed him and shortly after that were hit with a gust of wind much stronger than any other that afternoon. I now know what happens when my boat gets completely overpowered - it sits on its side and plows sideways. Anyway, Ron's genoa then ripped down the middle.

It was a hard afternoon of sailing and by the time dinner was served everyone was famished. Chief Marcus served us marinated sirloin slow cooked over charcoal, green beans, baked rice, rolls, and wonderful desserts prepared by the ladies. Needless to say, my diet went out the window and it was only by great discipline that I was able to prevent myself from eating to the point of pain. This wonderful meal was followed by games and then music provided by Garlan, Anthony, and Phillip.

We had promised everyone a wonderful oatmeal breakfast on Sunday morning. We had oatmeal all right, but Grayson augmented this with sweet rolls, breakfast egg rolls, and sausage. I believe I must have gained a couple of pounds over the weekend. By the way, I did talk a couple of people into trying my favorite sailing breakfast – oatmeal and peanut M&M's. They all said they liked it...

EDITOR'S CORNER

With this year coming to an end, I have been thinking about changing the tradition of our newsletter. I would like to publish a December issue, changing the format a little. The theme will be a year in remembrance. Please start gathering photo's, articles, thoughts, etc. that you feel would highlight events and happenings this past year pertaining to our club. Happy, sad, funny, and serious. Please e-mail, snail mail, or deliever them to me by the 21st of November.

For those of you that missed the Fall Festival/Halloween Regatta, it was warm, and it was cold. It was dry, and it was wet. Most of all it was a great time for everyone. On behalf of the L.J.S.C., I would like to thank O.S.Y.C. for promoting this event with us and allowing the use of the facilities. We look forward to doing it again next year.

Although it was a little chilly, there was something for everyone. Plenty of space for camping, food ala Chef Marcus, friendship, music and dance, a Sunday morning breakfast followed by a devotional/time of prayer, and lots of wind (at least on Saturday for the point to point race). I know of at least three sails/hardware damaged by the wind.

Sunday we were joined by Phil Martian and two of his Special Olympian Sailors. Bill Shaw of O.S.Y.C. and I took the two out for a trip up the lake while the other boats competed in the Rodeo events. Results will be posted as soon as they are available.

I would also like to offer a very special thank you to family and friends for supporting the teens. I do not remember exactly how many young ones where there for the weekend (though they filled up a table during dinner), but it was a blessing to see them sailing (alone and as crew) and doing well. One came all the way from North Augusta with his mom and dad. Keep up the words of encouragement and support, they soon will be O.S.Y.C. and L.J.S.C..

Please plan to attend the annual Christmas Dinner (hosted by Steve and Judy Winchester, directions and info will be on the web site soon).

Carl

MAINSHEET (continued)

Sunday afternoon we had the rodeo. As we had too much wind on Saturday, we now had too little, at least most of the time. There were occasional puffs and everyone made it around the course eventually. Steve and Jan Dillard proved to be the winners of the cruiser fleet, much to their surprise. Even with the lack of wind this was a fun event.

Our November meeting will be held at O'Charlies in the Macon Mall parking lot on the 20th. We will be going down to Florida to be with Grayson's family for Thanksgiving this year so we will miss the meeting. It might be a good idea next year to reschedule the November meeting so it will not be in conflict with Thanksgiving plans. In any case, I hope many of you can make the meeting and I will see you at the Christmas party in December.

Think Wind!
