MAINSHEET

Fellow Sailors,

We learned another lesson this past weekend. If you are in 15 to 25 knot winds that shift 15 to 20 degrees at a moments notice and are trying to get the absolute most out of a small boat, it is highly likely that you are going to go over or at the least fill the boat up with water. We had that unfortunate experience at a race on Lake Sinclair this past weekend. Thankfully, the water is still warm. The worst part of the entire event was having boat after boat sail past us laughing as we frantically tried to bail the water out and keep from actually tipping over. We did get some revenge on the downwind leg as our little 18 foot Buccaneer got up on a plane and scooted past most of those who had seen humor in our plight earlier.

I suppose that many of you think of the sailing season as almost over with the coming of fall and soon to follow winter. Think again! Soon the personal watercraft and powerboats will be put away for the season and we will have the lakes and the wind all to ourselves.

We are planning to have a big event on the weekend of Oct 27th and 28th. Please mark your calendar and plan to attend. This will be held at OSYC on Lake Sinclair. On Saturday we will hold our annual sailing skills contest (RODEO) to be followed by a catered evening meal, games, music, and general good times. Sunday morning we will gather at the OSYC club house (7:30AM) for the Commodores Favorite Sailing Breakfast (Oatmeal with toppings plus fruit and coffee). Actually, my favorite sailing breakfast is oatmeal and Peanut M&M's, but Grayson refuses to prepare this for real people. In the afternoon there will be a point-to-point race. This event is open to members of OSYC, all of our members, and their guests. This is shaping up to be a really good time, but it won't be if you are

EDITOR'S CORNER

We just returned from Lake Lanier, and the Barefoot Open where our sailing club was well represented. Four races were run on the closed course, 3 on Saturday and one Sunday (due to lack of wind). Jay and Jimmy Harrell took first place in the Beneteau class sailing Jay's 210. I took third in the Portsmouth Keel boat class with my Tanzer. Paul Keller took forth in the Portsmouth Daggerboard class sailing a Raider. Ashley came in 8th on her Raider (she did not finish all the races due to the extreme winds on Saturday). Winds were 15 plus on Saturday and light to none on Sunday. There was a total of 60 boats in the regatta. The Saturday night meal was catered by Jocks and Jills. They also had live music, and raffled off over \$2000.00 in prizes including 3 GPSs, and a \$1000.00 gift certificate towards a new set of sails. Where to go next?

As some of you know by now the Thursday evening informal dinghy races at Lake Tobesoffkee (Special Olympics site) have been a blast. But for now they have been halted due to the lack of daylight. The plan is to start again in the spring when more daylight hours allow it. See you on the Lake!

not there. We will discuss this more at our coming meeting.

As many of you know, two meetings ago we decide to try to have our get togethers each month at Logan's Roadhouse in Macon. Both times we have met there, we have encountered less than ideal accommodations. At the executive committee meeting it was decided that we would hit the road again. This month our meeting (October 16th) will be at the Chinese Buffet Restaurant on Riverside Drive (basically across from the Red Lobster). If you know of any alternative restaurants please bring them up at this meeting. Think Wind!

Three races were run in light and shifty winds. Kenny, (our race committee) setup and ran a modified Olympic course. Marcus Borders also sailed his first race today. Below is a listing of the boats and their finishes;
